

MILK SUPPLY AGREEMENTS STARTING 1 JULY 2024

Statement of Circumstances

Frestine Dairy Australian (FDA) is seeking to enter Milk Supply Agreements with milk suppliers for the 2024/25 season for an additional 70 million litres.

FDA are seeking milk from Gippsland, Northern Victoria and Western Victorian dairy regions.

Milk suppliers need to demonstrate a history of compliance quality standards as indicated in Schedule 3 – Specifications of the Frestine Milk Supply Agreement. Suppliers will need to provide safe and efficient tanker access for milk collection.

Interested milk suppliers should contact our field services representatives:
